At Home: A Short History of Private Life is a history of domestic life written by Bill Bryson. It was published in May 2010. The book covers topics of the commerce, architecture, technology and geography that have shaped homes into what they are today, told through a series of "tours" through Bryson's Norfolk rectory that quickly digress into the history of each particular room.

History of public law. The distinction between public and private law was first made by Roman jurist Ulpian, who argues in the Institutes (in a passage preserved by Justinian in the Digest) that "[p]ublic law is that which respects the establishment of the Roman commonwealth, private that which respects individuals' interests, some matters being of public and others of private interest."

International human rights law is a subset of public international law, and as such, it engages the commitment of nation states. The applicability of international human rights treaties to ratifying states is not controversial and there is no ambiguity about the general principle that governments are accountable for human rights standards.
