A Job to Kill For (TV Movie 2006) - IMDb

For some people, a bad day at work means missing a deadline or getting yelled at by your boss. For others, it means a serious injury — or worse. There were 5,250 workplace deaths last year, a ...

The 10 most dangerous jobs in America, according to BLS data

Karoshi, which can be translated literally as "overwork death" is a Japanese term relating to occupational sudden mortality. The most common medical causes of karoshi deaths are heart attacks or strokes due to stress and a starvation diet. Mental stress from the workplace can also cause karoshi through workers taking their own lives. People who commit suicide due to overwork are called karōjisatsu. The phenomenon of death by overwork is also widespread in other parts of Asia.

Karoshi - Wikipedia

Job Laments His Birth ... 10 For that night did not shut the doors of the womb to hide the sorrow from my eyes. 11 Why did I not perish at birth; why did I not die as I came from the womb? 12 Why were there knees to receive me, and breasts that I should be nursed?...

Job is the central figure of the Book of Job in the Bible. In rabbinical literature, Job is called one of the prophets of the Gentiles. In Islam, Job is also considered a prophet. Job is presented as a good and prosperous family man who is beset by Satan with God's permission with horrendous disasters that take away all that he holds dear, including his children, his health, and his property. He struggles to understand his situation and begins a search for the answers to his ...

Is Your Job About To Disappear?

In the well-known biblical story dealing with the problem of undeserved suffering, Job loses his children, his possessions, and his health. Job's nameless wife turns up after the final blow, after Job has been struck with boils. The attention to Job's suffering usually ignores the fact that she too, after all, is a victim of these divine tests in addition to being pained by exposure to his ...
