Empire of the Summer Moon is, in other words, a marvelous combination of many genres. It is a captivity narrative, a multi-person biography, and a military history. Gwynne does all these things extremely well. He is a really good writer. This is one of those rare history books where the prose is actually worth mentioning, at least in a positive ...

### **Empire of the Summer Moon: Quannah Parker and the Rise and ...**

Empire is a 1965 American black-and-white silent art film by Andy Warhol. When projected according to Warhol's specifications, it consists of eight hours and five minutes of slow motion footage of an unchanging view of New York City's Empire State Building. The film does not have conventional narrative or characters, and largely reduces the experience of cinema to the passing of time; Warhol ...
