A successful adolescent literacy initiative supports reading and writing to learn in each/all of the content areas. Students develop vocabulary in relevant contexts and through engaging activities.

Supporting Adolescent Literacy across the Content Areas

...

Literacy--the ability to read, write, speak, listen, and think effectively--enables adolescents to learn and to communicate clearly in and out of school. Adolescents need to have strong literacy skills so that they can understand academic content, communicate in a credible way, participate in cultural communities, and negotiate the world. The standards movement asserts that all students should ...
