Japanese Visual Culture

Japanese street fashion refers to a number of styles of contemporary modern clothing in Japan. Created from a mix of both local and foreign fashion brands, Japanese street fashions tend to have their own distinctive style, with some considered to be extreme and avant-garde, with similarities to the haute couture styles seen on European catwalks.. Though extremely popular in the 1990s and early ...

The ~ te form is an important Japanese verb form to know. It does not indicate tense by itself, however, it combines with other verb forms to create other tenses. Additionally, it has many other unique usages, such as speaking in the present progressive, connecting successive verbs or asking for permission.
