INTRODUCTION. The evolution of the earliest cities, states, and civilizations is an enormous topic and writing about it is made no easier by my discomfort with the term "evolution" itself.

Myths of the Archaic State - Cambridge University Press

I began this book by delineating the myths that archaeologists created about "the archaic state": the earliest states were very similar to one another (and so represent the evolution of "the archaic state"); they were large, territorial creatures, evolved from "chiefdoms" and from earlier stages that could be known through ethnographic analogies; they were dominated by ineffably and irresistibly powerful rulers, who controlled, or even monopolized, all means of production and the ...

Yoffee. In this ground-breaking work, Norman Yoffee shatters the prevailing myths underpinning our understanding of the evolution of early civilisations.

Myths of the Archaic State by Yoffee, Norman (ebook)

'Myths of the Archaic State clears away the cobwebs of an earlier generation of anthropological thought and, in its strongest moments, points toward a new configuration of global history.' Science
'Norman Yoffee identifies a series of what he terms 'myths' in archaeological thought, and then proceeds to demolish them one by one, using an astonishing array of case studies, from Mesopotamia to Chaco Canyon.

Myths of the Archaic State: Evolution of the Earliest ...

Myths of the Archaic State : Evolution of the Earliest Cities, States, and Civilizations. In this ground-breaking work, Norman Yoffee shatters the prevailing myths underpinning our understanding of the evolution of early civilisations. He counters the emphasis in traditional scholarship on the rule of 'godly' and despotic male leaders and challenges the conventional view that early states were uniformly constituted bureaucratic and regional entities.
