I love seeing how other people do it. So, I entered the shed and was surprised at how much hay could fit into a canvas building that looked relatively compact. There was a nice table, a refrigerator, a wheelbarrow, a nice coat rack that had hanging items, a few grain bins and everything I had in my barn except this cost a whole lot less to build.

China: Relations with other peoples ...Central Asia, known as the Xiongnu , succeeded in achieving a measure of unity under a single leader. As a result, while the Chinese were consolidating their government, the lands lying to the north of the empire—and the northern provinces themselves—became subject to incursion by Xiongnu horsemen.
