The Roman Conquest Of Britannia

The Roman conquest of Britain was a gradual process, beginning in AD 43 under Emperor Claudius and being largely completed by 87 when the Stanegate was established as the northern frontier. The Roman army was generally recruited in Italia, Hispania, and Gaul. To cross the English Channel they used the newly formed Classis Britannica fleet equipped with Mediterranean war galleys, which were much thicker in wood and more stable on rough waters. The Romans under their general Aulus Plautius first f
